

Back side of card:

"THIS IS WHAT I THINK IT MEANS TO 'OWN YOUR LIFE.'"

When you subtract out the sleeping time, commuting time, working time and things you have to do each and every day of your life, most people don't have more than one or two hours a day to do what they like to do - and then, would they have the money to do it? We have discovered a way for you to learn how to 'Own Your Life' by building a home-based business, and we have a system for doing it that is so simple anyone can do it. It doesn't require selling, and the best part is it won't take much of your time."
